1. A call-up took place recently in the three towns Gdansk-Gdynia-Sopot of men of the 1934 class and men of the 1928-33 classes who had previously been granted deferment.

2. Men classified as fit for service were immediately issued a call-up card stating that they must report on 18 November 1954 at the District Recruiting Center and from there they would be sent by collective transports to their appropriate units.

3. Men of the 1934 class were passed as fit for service even if they suffered from serious physical disabilities. In previous years these disabilities were regarded as sufficient to classify them as unfit.
